The Personal Touch
is a professional floristry
service specialising in wedding
flowers. With 16 years experience
in the floral wedding industry.

*We understand
the need for the
personal touch on what will be the
most memorable day of your life.*

To ensure you receive 100% personal service, The Personal Touch team will provide you with your own specialist wedding consultant to make sure your dream flowers become reality.

*Beautifully crafted
bridal bouquets and button holes,
custom designed to suit the colour
scheme of your wedding.*

*For those who are unsure what they would like,
we're happy to help you every step of the way.*

*Our friendly family run wedding florists number one
goal is to help you organise your perfect wedding day.*

We provide flowers for all occasions

*Whatever your floristry requirements may be,
bridal flowers, church or reception displays.
